Your generosity towards the ministries of First Christian Church helps us plan, innovate, extend our reach, and make a difference in the lives of others in many ways.

Outreach & Mission matters!

.....
First Christian is truly a church that reaches beyond its own needs and its own walls. Our reach extends into the community through support of the YWCA, Open Door Food Kitchen, the men's shelters, Royal Family Kids, PFLAG, Faith in Action, & Angel Tree and into the world through our support of denominational entities such as Global Ministries and Week of Compassion. Our building serves as a hub for life-affirming community entities such as The Chuukese Church, Ability KC, Narcotics Anonymous & more.

How Can I Give?

- There are several ways you can support our ministries:
- Give online via our Tithely app on our website.
 - Give through electronic funds transfer via your bank.
 - Mail or drop-off a check or other contribution at the church.
 - There are great tax benefits to giving non-cash gifts such as stocks and bonds. You may also be interested in considering 1st Christian in your estate planning. You may contact our church office and we'd be happy to speak with you about these options.

1st Christian: A Progressive Christian Witness in a Time of Change

As a progressive Christian community committed to social justice, a radical welcome to all people, and a faith characterized by an open heart and an open mind, we invite you to participate in the practice of giving. **Regular generous giving to God through the church is one way we grow more deeply in our faith.** It's a way God can work through us to change the lives of other people and our city.

Community matters!

Our goal is to spread the Good News far and wide. We particularly hope to reach those persons who have no church home, who think that they will never be welcome in a church, those who have drifted away from faith, and those who are seeking to find a diverse, inclusive church family. We are also committed to providing the best possible spiritual experience when guests visit so that all leave knowing God's unconditional welcome.
